PRESS RELEASE

VDW to Host Complimentary Breakfast and Panel Discussion at IMTS 2024

Chicago, July 09, 2024 – The German Machine Tool Builders' Association (VDW) is pleased to announce a special complimentary breakfast event at the upcoming International Manufacturing Technology Show (IMTS) 2024 in Chicago to promote the EMO Hannover Trade Show, the world's leading trade fair for the metalworking industry. This exclusive event will take place on **September 10th from 8:00 to 10:00 am in Room S404D 250 at McCormick Place, South Building, Level 4.**

Attendees will have the opportunity to enjoy a delightful breakfast while engaging in a dynamic panel discussion on the latest advancements and future trends in manufacturing technology. The event will also feature a networking session, providing valuable opportunities for industry professionals to connect and exchange ideas.

VDW is excited to host this breakfast event at IMTS 2024, uniting leaders and visionaries in the manufacturing sector at a fantastic opportunity for participants to gain insights into cutting-edge technologies and discuss the future landscape of production technology.

The panel discussion will cover topics ranging from digitalization to smart manufacturing and sustainability. Attendees can look forward to gaining valuable perspectives from industry experts and exploring new collaboration opportunities.

To register for the event, please visit: [Emo Hannover Breakfast](#).

Event Details:

- Date: September 10th, 2024
- Time: 8:00 am - 10:00 am
- Location: S404D 250, McCormick Place, Chicago, South Building, Level 4

About VDW:

The German Machine Tool Builders' Association (VDW) represents the interests of the German machine tool industry on a national and international level. With a focus on innovation and technological leadership, the VDW promotes the industry's global competitiveness and fosters partnerships across borders.
